

MD. Arafat Hossain

Programmer

I do full-stack web development and unity game development. Programming is fun to me. I can work for a long time at a stretch. I am also a technology seeker and self-learner. So, I pay great attention to quality and timing. I am highly motivated, and I can learn quickly.

SKILLS

PERSONAL PROJECTS

Tic Tac Toe game (C)

- Tic Tac Toe is a 2 player game made by me with C language. This is a simple game with a normal console which can be played by keyboard only.
